Dear S. Robert,

Thank you. After reviewing your list of the items you want for Carbondale, I have two questions:

1. I see you have number 2018.258,001 (Pirate Doll) circled in red. This item is not from the Childs family. It was another item the Committee had wanted to deaccession, so it was added to the October meeting. Knowing this, do you still want it? I have no issue sending it to Carbondale, but just wanted to make sure you still wanted it.
2. A while ago, we deaccessioned a 20th century generic secretary with hutch. It was not on these lists but was owned by Nicholas Childs who resided entirely in Montgomery County. Do you have any interest in this?

I talked with our Executive Director Barry Rauhauser (cc'd on this email) and he has volunteered to drive the items to Carbondale sometime during the first week of January 2024. We are going to wait until it gets a little closer to see if there is any snow in the forecast before a specific date is set. Given the number of items being sent to Carbondale, we will be needing to rent a U-Haul. We are a small private non-profit (no aid from County funds), so if your organization is able to donate any funds to help us cover the cost of transportation that would be greatly appreciated.

Thank you,

Hi Robert,

Thank you. I will add the Pirate Doll to the list of things to pack. Also, thank you for helping us cover the cost of the U-Haul. It is greatly appreciated! We will be contacting you later in December to finalize a specific date for the first week of January 2024.

Thank you and have a wonderful Thanksgiving!
